

Stage Plot for RedDog

www.reddogseattle.com

Doug Yule - fiddle

Cary Lung - mandolin

Tom Collicott - guitar and banjo

Note: Band can work without stage monitors if there are feedback issues with the single mic setup. If we can get a little volume out of the monitors before feedback that would be great.

If the single mic setup is not feasible because of equipment limitations we would need 3 instrument mics and 3 vocal mics, setup as close together as possible.

Cell phone contact number for the band: 206-484-8430
